School Elections Saturday

6 Men Seek Grade School Board Spots

Six men are seeking the two openings on the Antioch Grade School District's board of education.

The polls will be open Saturday from 12 noon to 7 p.m. at the Lower Grade School, Channel Lake School and Oakland School.

The names will appear on the ballot in this order:

Jimmy Quedenfeld, Michael C. DeBenedetto, Robert N. Olson, Clinton T. Glover, Robert E. Kelley and Homer (Sid) Parker.

Mr. Kelley is seeking re-election. Not seeking re-election is Gerald Vander Meer, who has been president of the board.

A CANDIDATES' forum was held last week and five attended. Mr. Kelley said he regretted he was unable to attend but had to be out of town because of a previous business engagement.

However, he submitted the required information to the chairman in the form of a letter, which was read at the meeting.

Mr. Kelley said:

"My background is three active years on the school

High School Contest Has 3 Candidates

There are two openings on the Antioch High School district's board of education, and the incumbents are running for re-election.

They are Charles Forster and Frank Johnson and they are being challenged by a young newcomer to politics, Scott Fire.

On Saturday, voters will elect two of them to three-year terms on the board.

The voting hours are 12 noon to 7 p.m. The polling places are Antioch High School (precinct 1), Pleviak School in Lake Villa (precinct 2) and Hooper School in Lindenhurst (precinct 3).

IN ORDER to vote in a school election, a person must be a U.S. citizen, at least 18 years of age, and must have resided in the school district for 28 days immediately preceding the election. He also must be registered to vote in general elections from a residence in the district ... in this case: Antioch High School District 117.

A change in the election law this year permits voting by absentee ballot in person until the day prior to the election.

FRANK C. JOHNSON, 41, lives on Suraya Drive in the Antioch Lake subdivision. He has been an Antioch resident for 20 years and during that time has worked for Commonwealth Edison in underground construction.

Village Board Tackles Issues

It was a short, snappy meeting, lasting less than 90 minutes, but the Antioch village board made a lot of decisions Monday night.

It decided to finalize plans to repair Anita St.

It told the Chamber of Commerce that the new sign ordinance will come before the board at its first meeting in May.

It set Monday through Friday, May 3-7, as dates for the annual "spring clean-up week."

It decided that only soda pop and popcorn will be sold at the village swimming pool this

summer. No hot dogs or candy bars.

It displayed a new official map of the village, and a new zoning map.

It decided to advertise for bids for blacktop and fencing for new tennis courts in Jensen Park. The bids will be opened at the board's next meeting, 8 p.m. on Monday, Apr. 19.

It made a new decision on the proposed study of a parking lot behind the stores on the east side of Main St.

INSTEAD OF paying a professional planning firm between \$2,500 and \$3,000 to make the parking lot study, the village board unanimously passed trustee Mike Haley's motion to have the study done by a three-member committee of the Antioch Chamber of Commerce, the three members of the village public relations

committee and the village engineer.

The next step is for the

Chamber to select its committee.

KICKOFF FOR SCOUT MEMBERSHIP

DRIVE was the subject when scout representatives met recently with Bill Groeninger, seated left, institutional representative from the State Bank of Antioch, and Dave Johnson, seated right, Lakes District Scout Executive, to review spring and summer scouting programs that will need a financial boost from sustaining members in the Antioch area.

Scout reps, left to right, are Dan Gilday, Pack 80, Mike Anderson, Troop 80, Kevin Shepard, Troop 92, Bill Atwood, Troop 91,

Peter Twardy, Pack 192.

The membership drive will fund upcoming events for area scouts at the Scout Show '76 at the Lake County Fairgrounds on May 15, Ma-ka-je-wan summer camp in northern Wisconsin, Camp Akela, Cub Scout day camp in Wadsworth, and the Scout Camporee in June at Camp Crown, Wis. More than 400 area boys in scouting will benefit from the enrollment and pledges of local citizens and businesses in the membership drive being conducted now through May.

Winsor Dalgaard Of Lake Villa Dies

A well-known Lake Villa supermarket owner, Winsor A. Dalgaard, died last Saturday at the age of 54 at the University of Illinois Hospital in Chicago.

Mr. Dalgaard was Lake Villa's assistant fire chief and also was a former member of the Antioch fire department and the Antioch village board.

He owned Dalgaard's supermarket in Lake Villa for the past 28 years.

Survivors include his wife, the former Edna Pedersen, who is a member of the well-known Antioch family which owns the Pedersen Implement Co.

A funeral mass for Mr. Dalgaard was said Tuesday at St. Peter's church in Antioch. Other obituary information appears elsewhere in today's paper.

5 Candidates In Lake Villa

Five candidates are seeking two vacancies on the Lake Villa grade school district's board of education.

Outgoing board members are Charles Hempling and Thomas Field. Running for the three-year terms are Richard Bolt, Thomas Martin and Robert Henderson, all of Lake Villa, and James Darland and Dorothy Ann Schneider of Lindenhurst.

Special Meeting

A special meeting of the board of education of Antioch Community High School, District 117, will be held on Saturday at 8 p.m., in the board room.

The purpose of the meeting is to canvass the votes from Saturday's school board election and also to organize the new board.

Village Board

Continued from page 1

The village board also rejected all bids on garbage collecting. Trustee Haley said his public works committee believes the present method, in which residents contract with a private collector of their choice, is the most efficient and economical for all concerned.

"Between \$50,000 and \$60,000 would have to be allotted toward contract payments before any money would be received from the county tax collector," Haley said. "This money is never recoupable. The cost of billing, postage and account sorting and handling, and delinquency, would raise the charge per month to what private contractors now charge."

THE CHAMBER of Commerce and Industry had requested information on the village's plans for improving Anita St., which runs through the industrial area. (Or, rather, bumps through the industrial area.)

Repairing the street and solving its drainage problems will be discussed at next Monday's public works committee meeting.

The village plan commission, incidentally, meets this Thursday at 7:30 p.m.

THE NEW village maps are an improvement, Clerk Marilyn Sterbenz said, because they include such things as proposed school sites and environmental areas.

"Now we must get a recommendation from the plan commission and then hold a public hearing on the maps," Mrs. Sterbenz said.

Trustee Bill Seemann said the concession stand at the swimming pool "either broke even or lost money" last year.

"The Lake County health department says hot dogs and candy bars can't be sold unless the concession stand is fenced off from the pool," Seemann said. "All we want to do is break even, and in previous years we've been selling losing items, except for soda pop and popcorn."

Seemann also recommended rates for the 1976 swim season.

Before May 30, village residents can join "the Antioch

Johnson and Forster Deserve Re-Election

It is important that Antioch voters get out Saturday and participate in the high school and grade school board of education elections.

It will require a large turnout of voters to assure that the best men are elected. Voters also should become informed about the candidates. If you don't know, ask your friends. There are some fine men running for the four openings that exist on the two boards.

For the high school board, we feel we must give our endorsement to Frank C. Johnson and Charles J. Forster. Both have served on the board, have the necessary experience, and have done outstanding jobs in the last three years. The high school board is composed of people who think independently, yet work harmoniously. We see no reason for a change.

We admire the other candidate's interest in education. Scott M. Fire is young and diligent. More young people should show his kind of concern. Yet, we feel that Mr. Johnson and Mr. Forster deserve re-election because they have proved they are the kind of men a school board needs.

There are six candidates for the grade school board and it is extremely difficult to choose among them. Most of you have been residents of Antioch longer than we have and know the candidates' qualifications better than we do. If not, talk to your friends and find out. Then make a choice.

Again, it's important that you get out and vote ... and vote with whatever wisdom you already have or can acquire between now and Saturday.

About Easter Pets

If you want to give a child a little chick or duckling this Easter, you'll have to settle for the stuffed variety.

In Illinois, it is illegal to give a live baby duck or chick as a pet. The Illinois Department of Agriculture administers the Humane Care for Animals Act.

And if you like your rabbits colored blue, green, or pink, you'll also have to settle for a doll. The same law prohibits selling rabbits or chicks which have been dyed or artificially colored.

Baby chicks or ducklings can't be sold, offered for sale, bartered or given away as pets and novelties.

Director of Agriculture "Pud" Williams said, "While I am sure people who give these little animals to children have the best of intentions, many youngsters are unable to take care of these small fowl. Children often don't understand that live animals need careful handling and that these small animals are just not as strong as a puppy or a kitten. If the animal dies from rough handling, it ends up causing the children the unnecessary sadness of losing a pet, as well as causing pain to the animal."

Membership on the Antioch swim team will cost \$12 for the first child, \$8 for the second child in a family, \$5 for the third child and \$3 for the fourth child.

Trustee J. Irving Walsh said he investigated reports of flooding in the Little Silver Lake area, east of the landfill site.

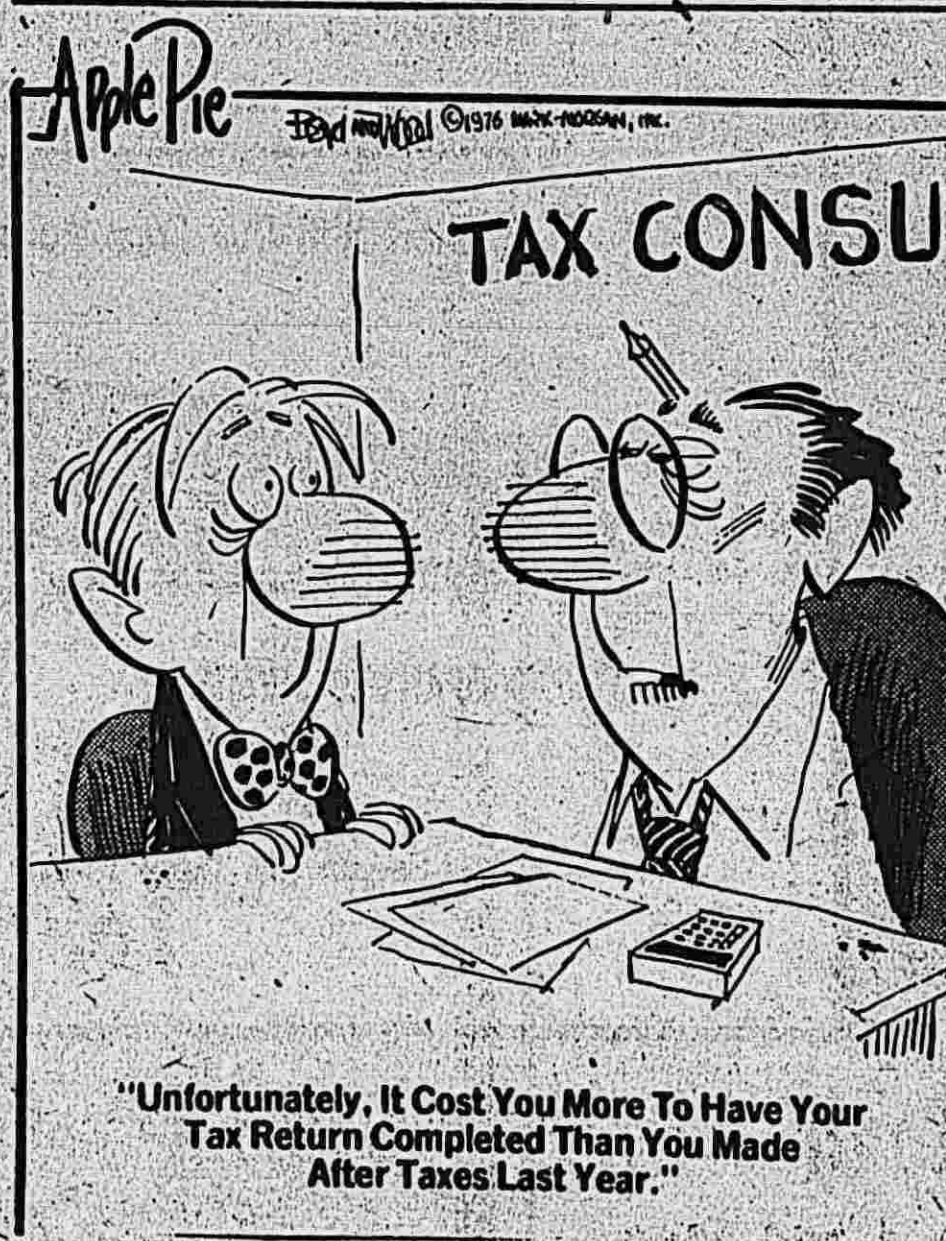

The landfill operators will dig a ditch to carry the water to Sequoit Creek, Walsh said. Also a "berm" will be built, two or three feet high, and Walsh said he hopes the berm and the ditch will pacify property owners in the area.

"But we'll have to wait till the next big rainfall to see if these are the answers," Walsh said.

WAYNE ERICKSON of Little Silver Lake complained about vehicles with noisy mufflers disturbing the peace on village streets.

Andrew C. Lynch, village attorney, said "it's pretty hard for a police officer to be around everytime a car with a noisy muffler goes by. And, also, it's a very difficult issue to prove in court."

Trustee Seemann said the village will accept the trees planted in the downtown area by Chamber of Commerce members. They were a "gift" from the Chamber and the village has agreed to maintain them.

3 Die in Violent Crash Here

Three persons were killed and another injured Saturday night in a head-on collision in downtown Antioch.

Some witnesses called the violent crash one of the worst in Antioch's history.

The three victims were in a small, red car heading north on Main St. They were Glenn Pawlowski, 19, of Rt. 4, Box 444, Trevor; Daniel Pawlowski (no relation to Glenn), 15, of 632

Highland Ave. in Antioch, and Whitney F. Gilbert III, 25, of 227 Cedarwood Dr. in Antioch.

The southbound car was driven by John Christensen, 52, of 556 Main St., Antioch. He was reported in "stable" and "satisfactory" condition Tuesday at Victory Memorial Hospital in Waukegan. Mr. Christensen has multiple contusions and abrasions, and head and chest injuries, nurses said.

THE CRASH happened about a block north of the police station, 50 yards north of Orchard Street.

Two witnesses, Bruce Keskemety of Lindenhurst and John Norton of Ingleside, told police the northbound car appeared to be traveling at a high rate of speed, then slid over into the southbound lane

and hit Christensen's car. The northbound car flipped into the air, the witnesses said, and landed upside down on the lawn of the United Methodist Church.

Christensen's car was struck head-on in his southbound lane, eight feet west of the center line.

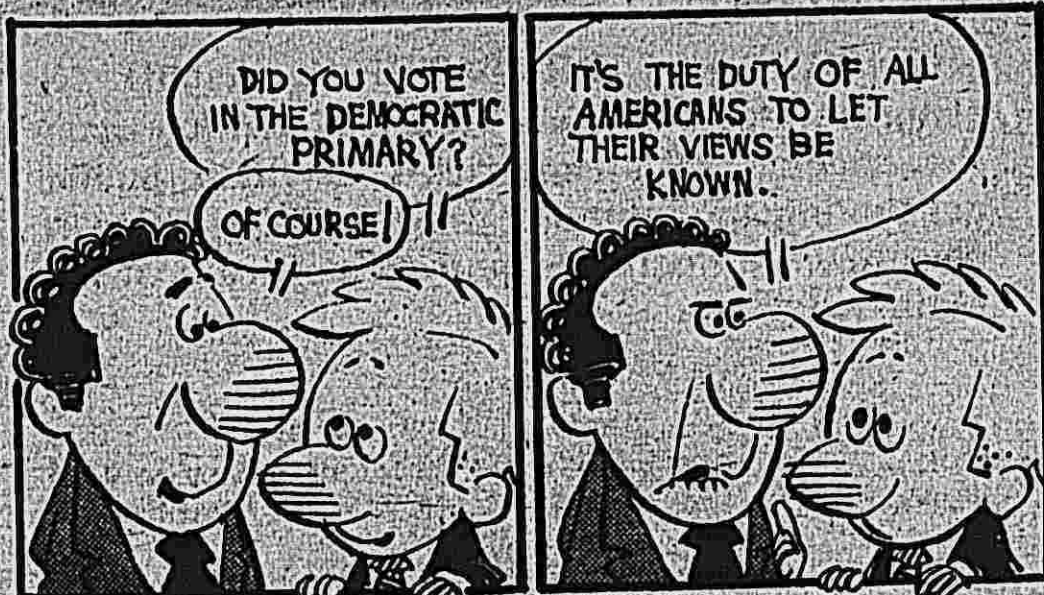

Christensen, an Antioch volunteer fireman, was heading for his job as a security guard at

Leisure Village in Fox Lake. At the hospital, he told police his only recollection of the accident was seeing a flash and then waking up as members of the rescue squad removed him from his car.

DANIEL PAWLOWSKI was dead at the scene while Glenn

7 Seek 2 Spots At CLC

Seven candidates are seeking two open positions on the board of trustees of the College of Lake County.

Voting will be Saturday, from 12 noon until 7 p.m., at three precincts in this area: Antioch High School, Pleviak School in Lake Villa and B.J. Hooper School in Lindenhurst.

Voters can cast their ballots at the same time they vote in the election for Antioch High School board of education.

These are the candidates for college trustees:

ARTHUR J. KATZENMAIER is retired and resides in

Grayslake. He considers his experience as superintendent of the North Chicago elementary schools to be his major qualification for board member.

He favors collective bargaining and feels that off-campus classes (satellite campuses) are needed to relieve pressure on the main campus.

MONTY R. BECKWITH, a life-long resident of the Waukegan-North Chicago area, is employed as Project Director of the Apprenticeship Outreach Program with the Lake County Urban League. After four years in the Marines he is now

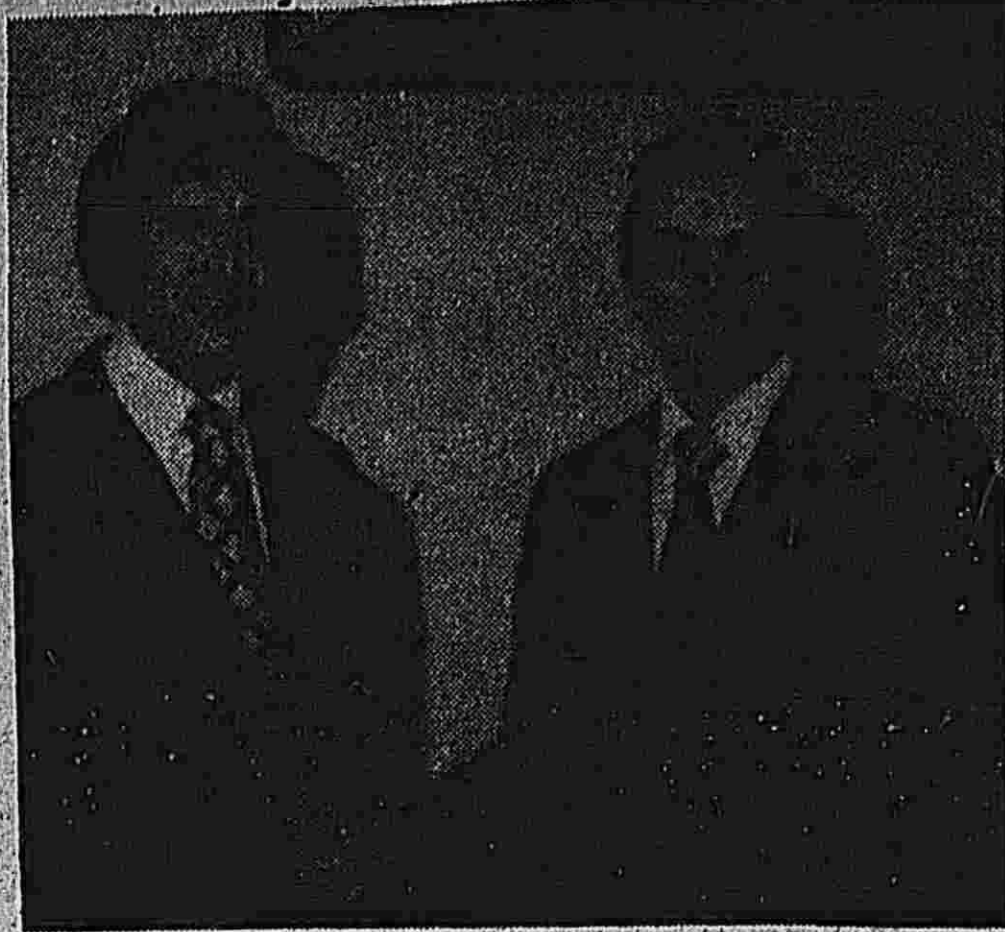

Environmental Projects Planned

Saturday, April 24 will be Keep America Beautiful Day 1976, the national observance to highlight continuing environmental improvement programs on the local level.

According to Roger W. Powers, president of Keep America Beautiful, Inc. (KAB), this KAB Day will be geared to one-day activities which initiate or dramatize long-range cooperative programs between citizen groups, industry and government.

Projects will include establishing citizen-sponsored recycling centers, planting trees, beginning environmental education programs, conducting river and lake cleanups and promoting city-wide litter-prevention programs.

A special KAB Day 1976 project guide is available from KAB, 99 Park Avenue, New York, NY 10016. The free booklet suggests ways to organize a junked car reclamation program, revitalize vacant lots, restore historic landmarks, identify open dumps and carry out other potential KAB Day undertakings.

RICHARD H. KIRKPATRICK (right) is congratulated by Mayor Robert C. Wilton upon the opening of Kirkpatrick's certified public accounting and computer programming office in downtown Antioch. Kirkpatrick's office is at 909 Main St.

affairs, serving currently on the curriculum commission, and previously on one of the North Central committees.

Mr. Thomsen completely supports collective bargaining at CLC, observing that it brings no disadvantage to any one person or faction. He feels strongly that the number of part-time faculty should never exceed full-timers, lest CLC's dedication to education be weakened. He believes the faculty salary level should be attractive enough to guarantee the highest quality of instructional and service staff.

JAMES W. MILNE brings prior experience as a former member of the Libertyville school board, as well as his business background at Abbot Laboratories.

Mr. Milne supports the legislation seeking collective bargaining rights for all Illinois public employees currently before the General Assembly. He prefers that instruction be centralized at one campus, though he concedes it is entirely proper for the college to use other tax-supported facilities, especially for developmental courses.

NORMAN FORNERO is a resident of Waukegan who works in the finance division of

NCR. He is motivated to run for the board because of his business background, as well as his desire to represent as a home-owner the taxpayers of the county. He is familiar with purchasing procedures, and his work has led him to deal with other school boards in the past.

Mr. Fornero feels that bringing courses to more satellite campuses is part of the college's commitment to extend its services where needed.

ANTHONY BOBACK, currently a student majoring in the business area, said the professionalism of resigning board members, Dr. Day and Jim Lumber, will be greatly missed, and wants to be certain their successors are as well qualified. He feels that his service as a student senator and currently as Vice-chairman of the Vets Club, qualifies his candidacy.

On collective bargaining, Mr. Boback agrees that it's appropriate for CLC, as long as it doesn't adversely affect the learning process for students.

Finally, Mr. Boback strongly emphasizes the need for more proportionate funding for community colleges, since he is reluctant to raise tuition and thereby exclude potential students.

THE VILLAIN, played by Bob Andresen, seizes innocent Leonie, played by Suzee Elliott, in rehearsals for PM&L's melodrama, "Dirty Work at the Crossroads," opening Saturday night at the PM&L Theatre in downtown Antioch. Curtain time is 8:30.

Melodrama Opens Saturday

"Dirty Work at the Crossroads; or Tempted, Tried and True" is PM&L's contribution to this bicentennial theater season.

The gay nineties melodrama opens at the PM&L Theatre in Antioch Saturday night, with performances also scheduled for Fridays and Saturdays, Apr. 16, 17, 23 and 24.

"Dirty Work at the Crossroads" is classic American theatre of the 1890's. The

melodrama gives theatergoers an opportunity to relive the triumphs, concerns and the music of the gay nineties, when virtue always won out in the end.

Destroying the innocent virtue of one fair maiden after another, the villainous Munro Murgatroyd seeks to gain control of a family farm through which a railroad route is to be built. He is defeated and justice finally triumphs, but

only because of the unswerving faith and virtue of the heroine, Nelle Lovelace, and her hero, Adam Oakhart.

The PM&L production is directed by Don Beveroth and has a tried and true cast. Bob Andresen plays Munro Murgatroyd, as wild as he is wicked; Dee Baum is Nelle Lovelace, as true as she is tender; Larry Berale is Adam Oakhart, as brave as he is bashful; Shirley Jensen portrays the widow Lovelace, as sweet as she is simple, and Lyn Zaehler is Ida Rhinegold, as deep as she is dyed.

Audiences are encouraged to boo and hiss the villain and to cheer the hero and the heroine. However the management regrettably requests that theatergoers refrain from shooting the piano player.

To relive this part of America's past, call 395-3055, PM&L's bicentennial number, to make your reservations. Seating is limited. Box office prices are \$3 for adults and \$1 for students.

Chamber Moves Its Offices

The Antioch Chamber of Commerce and Industry has moved from Victoria St. to Main St. Its new address will be 909 Main St., in part of what formerly was the Young Image store.

The mailing address, P.O. Box 293, and the telephone, 395-3381, will remain the same.

The Chamber's 4th annual Arts, Crafts and Antiques Fair will be held Sunday, July 11, from 11 a.m. to 6 p.m. Artist and civic club booth application blanks are available at the Chamber office.

The retail committee has planned another "Shopping Spree" for June 10 to 19.

Maxwell Street Days are scheduled for July 29, 30 and 31. Midnight Madness will be held Aug. 19.

To build customer good-will and enhance communications, the Chamber office is now accepting signed, written complaints against Antioch businesses from customers. After the businessman involved receives a copy of the complaint, it will be his responsibility to contact the customer to resolve the issue. All information will remain confidential.

The Chamber ways and means committee will soon be offering limited edition, official Antioch bicentennial belt buckles.

The buckles will be available through the Chamber office, the local financial institutions and several retail outlets at a cost of \$5.

In order to decorate the town in a uniform manner for the bicentennial year, the Chamber will offer several building decoration packages with installation available, if desired.

Decorations would be hung from Memorial Day to Labor Day. Members will be contacted about ordering decorations after sample buildings are decorated in April.

The next general membership meeting is scheduled for May. The theme will be "Shoplifting can cost you plenty."

The meeting will be at the Antioch Country Club in the evening to enable store employees to attend. A buffet at 7:30 p.m. will be served following cocktails at 6:30.

The program will feature a movie on the methods used to shoplift and a panel discussion presented by the Antioch Police Department and Atty. Mike Gantar on the mechanics of arrest and conviction of shoplifters without becoming involved in a civil suit.

Literature regarding shoplifting, internal shrinkage, bad checks and store posters will be available.

The meeting is part of an

intensive anti-shoplifting and fraud campaign sponsored by the Chamber.

During the week of May 3, a movie and discussion about shoplifting will be held at the high school and all Antioch

grade schools, in addition to a poster contest co-sponsored by the Chamber and the State Bank of Antioch.

Meeting reservation information will be sent out soon — plan on attending and find out what you and your employees can do to prevent shoplifting.

The Chamber has three new

members:

Dick Kirkpatrick, C.P.A., 909 Main St.

Margaret and Harry Lenny, Thompson's, 933 Main St.

Michael Angelo Builders, 315 SE Garfield, Mundelein.

W. Pawlowski was dead on arrival at St. Therese Hospital in Waukegan.

Gilbert died at 5:50 a.m. Sunday at St. Therese, more than eight hours after the crash. He told police that Glenn

Pawlowski was driving the small, red car.

Daniel Pawlowski was a sophomore at Antioch high School. Obituary and funeral information on the three victims appear elsewhere in today's paper.

PRIVATE SPENDING TOPS PUBLIC SPENDING FOR POLLUTION ABATEMENT AND CONTROL

Spending for pollution abatement and control by consumers, business, and government in the U.S. totaled \$23 billion in 1973, up 18 per cent from the \$19.5 billion spent in 1972, according to the Bureau of Economic Analysis, an agency of the U.S. Department of Commerce. Antipollution spending in 1973 was 1.8 per cent of the gross national product, the market value of all the goods and services produced in the nation.

RIDING PLEASURE YEAR AFTER YEAR**

Every Schwinn bike starts on an engineering draftsman's drawing board. Schwinn uses the finest quality materials available. Four coats of the finest baked-on primers and enamel make the Schwinn finish world famous. Schwinn tubular rims are far stronger and more durable than ordinary single thickness rims. Hubs are laced by hand. Spokes are inserted one-by-one. Schwinn quality you can count on.

The single most important part of the bicycle is the frame and Schwinn hand builds

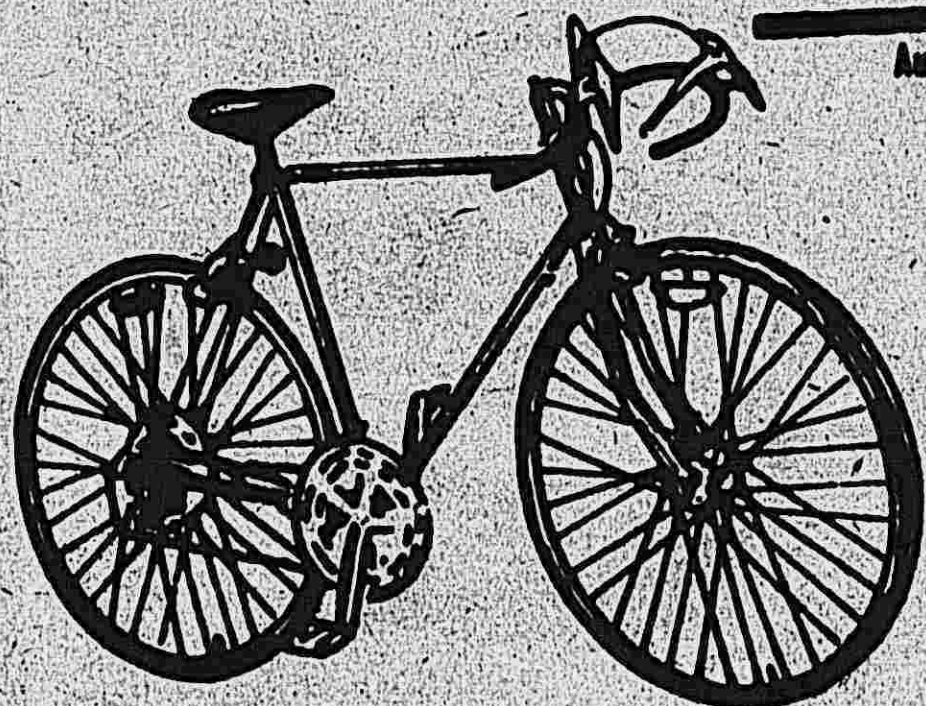

lightweight frames. Riding stability and riding comfort depend upon alignment and proper frame angles .. you can rely on Schwinn. Once the frame passes its rigorous inspection and testing it is ready to be painted. Multi-coated by hand to provide a deep, rich, long-lasting finish. No expense is spared as Schwinn representatives scour the world to provide the serious cyclist with the masterpiece of the bicycle builders art. Quality you can be sure of ... value you can rely on ... Schwinn.

Grade School Board Election

Continued from page 1

board. I feel that I have the time available that is required to be a board member.

"My philosophy is, 'there is nothing more constant than change,' which in effect means that I will listen to any reasonable idea, be it educational or otherwise, that is presented to the board, provided that it answers the following questions:

"Is it for and will it aid the children of District 34?"

"Will it be financially feasible for the district to carry out?"

MR. OLSON said he was interested in becoming a board member because he has a background as a social worker, which "is akin to education."

He questioned the grade school district's present grading system by saying, "We also need to know where Johnny stands in relationship with the rest of the class. 'Satisfactories' aren't enough."

Candidates were asked by a member of the audience if they would comment on "their support of the district's superintendent, Henry Meyer, and whether or not they felt they could work in harmony with him."

"I've never known him to duck an issue or run away from a problem," Mr. Olson said. "At this point I feel I could stand behind him, but if I found he wasn't doing a good job, then I couldn't."

Another member of the audience asked the candidates how they felt about individualized instruction, the grade school's advanced concept which attempts to consider individual differences.

Mr. Olson said: "Until the bugs get out, there are going to be a few problems, but I think it's working."

MR. QUEDENFELD said he was satisfied with the teaching staff and also the extra curricular activities such as "band, arts and crafts, and athletics, which are as important as the three R's."

He said Mr. Meyer has innovated "some new things and if you do that you're going

to get controversy. We've disagreed on some things, but I have always known him as a gentleman."

Mr. Quedenfeld added that he was dissatisfied with the lack of respect and discipline in the school system, and also the lack of involvement by many parents.

"If elected," he said, "I would like to see a parent-teacher advisory board, so this over-the-fence gossip is stopped."

Mr. Quedenfeld added that he thought "the biggest problem of the present grading system is that parents aren't getting involved. Parents should get down to the school and talk to the teachers."

MR. DeBENEDETTO said he feels the school board has done a very good job in the budget area. Throughout Lake County, Antioch is far down on the list in cost per pupil, he said.

He added that he feels Mr. Meyer "has done an adequate job and I could work with him."

Mr. DeBenedetto said he liked the present grading system "because the name of the game is motivation, and nothing motivates like success. There are problems, of course, but right now I'm for the system. It's working."

MR. GLOVER said he thinks the concept of individualized instruction "is great; but here at the Upper Grade School it needs tightening up. I think they're a little too young at this level for setting their own goals. However, a more gifted child can do some extra work on his own."

He also said he "can think of no better reason for borrowing money than to educate children. But I believe in borrowing cautiously."

On collective bargaining, Mr. Glover said "a teacher is a professional and should be evaluated as such. I think a good teacher should be well paid. But collective bargaining can pull a good teacher down and a poor teacher up. A teacher should be evaluated on his or her track record."

MR. PARKER said he plans to check out the results of the

district's system of individualized instruction.

"I'd like to go to the high school and find out about the feeder system," he said. "I've heard that Antioch Upper Grade School has fallen off in recent years."

William Herbst, principal at the Upper Grade School, said, "you'll find our youngsters are more than holding their own in all areas at the high school."

Regarding the recent differences between the superintendent and some members of the board, Mr. Parker said:

"Right now there seem to be some unanswered facts. I'll be able to evaluate the situation when all the facts come out."

He added that he thinks the old grading system of "A, B, C, D or F" should be put back in.

Mr. Parker also said he was dissatisfied with the communication between board members, administrators and taxpayers.

"All three must work together or our educational system suffers," he said.

ON COLLECTIVE bargaining, Mr. Olson said:

"I'm for it, but I'm against the practice of asking for ridiculous amounts."

Mr. Quedenfeld said, "I believe in it until it gets to the point where it hurts the child."

Two of the six will be elected Saturday to three-year terms on the board.

Winners of Apple Trees

The drawing for the 100 free apple trees to be planted by Johnny Appleseed in Antioch Apr. 24 has been completed. The winners are being notified by mail this week.

The names of the winners will be posted at the State Bank of Antioch and the First National Bank of Antioch, who have donated these trees to the Northern Illinois Conservation Club.

The State Bank has also donated 50 more trees to be planted at seven local grade schools on Apr. 26 by Johnny Appleseed.

Names in the News

Sue Groth and Lillian Foreman of Antioch High School have been selected to take the American Chemical Society scholarship examination. The examination will be May 15 at the University of Illinois in Chicago. \$1,000, \$700, \$500, \$400 and \$300 scholarships will be awarded.

TOM KELLY, president of the Antioch Savings and Loan Association, will present a speech to the National Business Honor Society at Antioch High School on Thursday night at 7:30.

"Education is a wonderful thing; it helps you discover more things to worry about."

'Jesus Christ Superstar' Opens Apr. 14

A large, talented cast and orchestra... that's what Director Ken Smouse is working with as "Jesus Christ Superstar" is being prepared for Antioch theater-goers.

The outstanding rock opera will be presented at Antioch High School from Wednesday,

Apr. 14, through Friday, Apr. 16, beginning at 8 o'clock each night.

Tom McGrath plays Jesus, Frank Gaughan, Judas, and Mary Chris LaKome, Mary Magdalene.

Ken Smouse will appear as Annas, Tom Hausman as Pi-

late, Bill Sershon as Peter, Bill LaMie as Caiaphas, Bill Garnett as Herod and Rusty Long as Simon Zealot.

The orchestra features Tracy Teltz on piano, and Bob Kelter and Steve Nischan on percussion.

Ed Witte plays lead guitar;

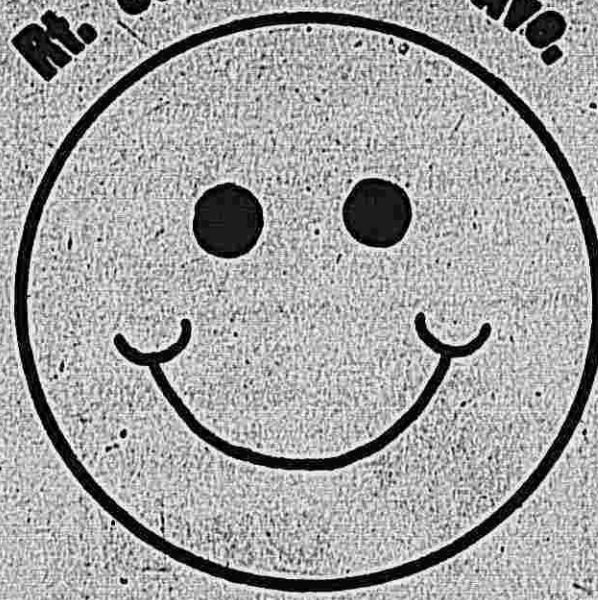

Skip Petrezelka, rhythm guitar; Jeff Smouse, 2nd guitar; and Brian Kovach, base guitar.

Larry Wagner and Jerry Smouse play trumpet; Chris Lindberg and Kim Korando, flute; Amy Ploss, clarinet; Joe Renfro, trombone; and Barrie Lindberg, bassoon.

ARIES [March 21-April 19] - Personal magnetism is your greatest asset now in obtaining aid to further financial aims. Use your business know-how and pleasing personality to convince others of those fine ideas.

TAURUS [April 20-May 20] - A favorable trend provides the opportunity to put those expansive plans into motion. Use talents to their fullest potential in prompting personal endeavors.

GEMINI [May 21-June 21] - Don't fall for get rich quick schemes which are sure to have pitfalls. Use caution when considering making changes that may affect your monetary situation.

CANCER [June 22-July 21] - Conflicts of interest can cause dissension with superiors so make a special effort to get along. Show a determination to get the job done in good spirits.

LEO [July 22-August 21] - Not a time to be in the spotlight; lay some constructive groundwork for future aims. Consult relatives who live at a distance for an outside opinion on that pending matter.

VIRGO [August 22-September 22] - A good week to consider taking up new studies; intellectual pursuits hold more interest now. Seek the company of people who understand your philosophical views.

LIBRA [September 23-October 22] - Don't force your views on mate or partner; if opposition occurs continue on that project on your own. Meet with influential people who can show some insight into the situation.

SCORPIO [October 23-November 21] - New beginnings are in the offing; prepare for exciting changes that offer a different routine. Your original ideas gain special recognition among peers now.

SAGITTARIUS [November 22-December 20] - Renewed interests in an abandoned project may catch your attention soon. You can rely on associates to stick by and offer assistance.

CAPRICORN [December 21-January 20] - A busier social routine can be demanding; accept invitations to recreational events that offer a chance to meet new people.

AQUARIUS [January 21-February 19] - Wait about making decisions which involve real estate; examine the details and fine print carefully. Talk over future plans with family members and come to a mutual agreement.

PISCES [February 20-March 20] - A good week to act on important matters; take care of the details, tie up loose ends. Use mature judgment when considering that new offer.

High School Contest Has 3 Candidates

Continued from page 1

State Bank of Antioch and they have two sons.

Mr. Johnson is "semi-retired" after 11 years on the Antioch fire department. He was formerly dive-master of the department's underwater recovery team. He is a worker for the Crusade of Mercy, a member of the Lions Club, an officer in the Antioch Township Republican Club, a member of Ducks Unlimited, and vice-

chairman of the Lakes Region Chapter on Alcohol and Drug Abuse.

He is a former University of Illinois student and this spring will graduate from the College of Lake County with an associate degree in business.

Mr. Johnson said:

"My goal after being elected to the board of education three years ago was dedicated service to my friends and neighbors, and I have maintained this goal. I have served on all the

important committees ... committees concerned with the welfare of the student as well as the welfare of the parent and taxpayer. I and my fellow board members have dedicated ourselves to a firm policy of good education, balanced budgets and an atmosphere of harmony between the board, administration, staff and students.

My position on the board has helped to maintain a flow of communication both up and down, and may I take this

opportunity to say that my door is always open to anyone from anywhere who believes that in some way I may be of assistance or service."

CHARLES J. FORSTER said:

"If elected, this will be my second term on the board of education of Antioch High School. This first term has been one of gaining experience and learning some of the intricacies of our modern school system. I hope to be able to use this knowledge to the benefit of our students and community."

Mr. Forster has lived in Antioch most of his life, and continuously since 1950. He and his wife, Valera, have five children. Mr. Forster has owned the Grass Lake Lumber Company since 1963 and is a member of the Rotary Club of Antioch.

SCOTT M. FIRE is 21 and a graduate of Grass Lake school. He graduated from Antioch High School in 1973.

He is a political science student at the College of Lake County and has worked for Sears-Roebuck in Antioch for five years.

Mr. Fire said he feels the high school needs a panel composed of faculty, administrative and student body members "so we can actually unify the student body."

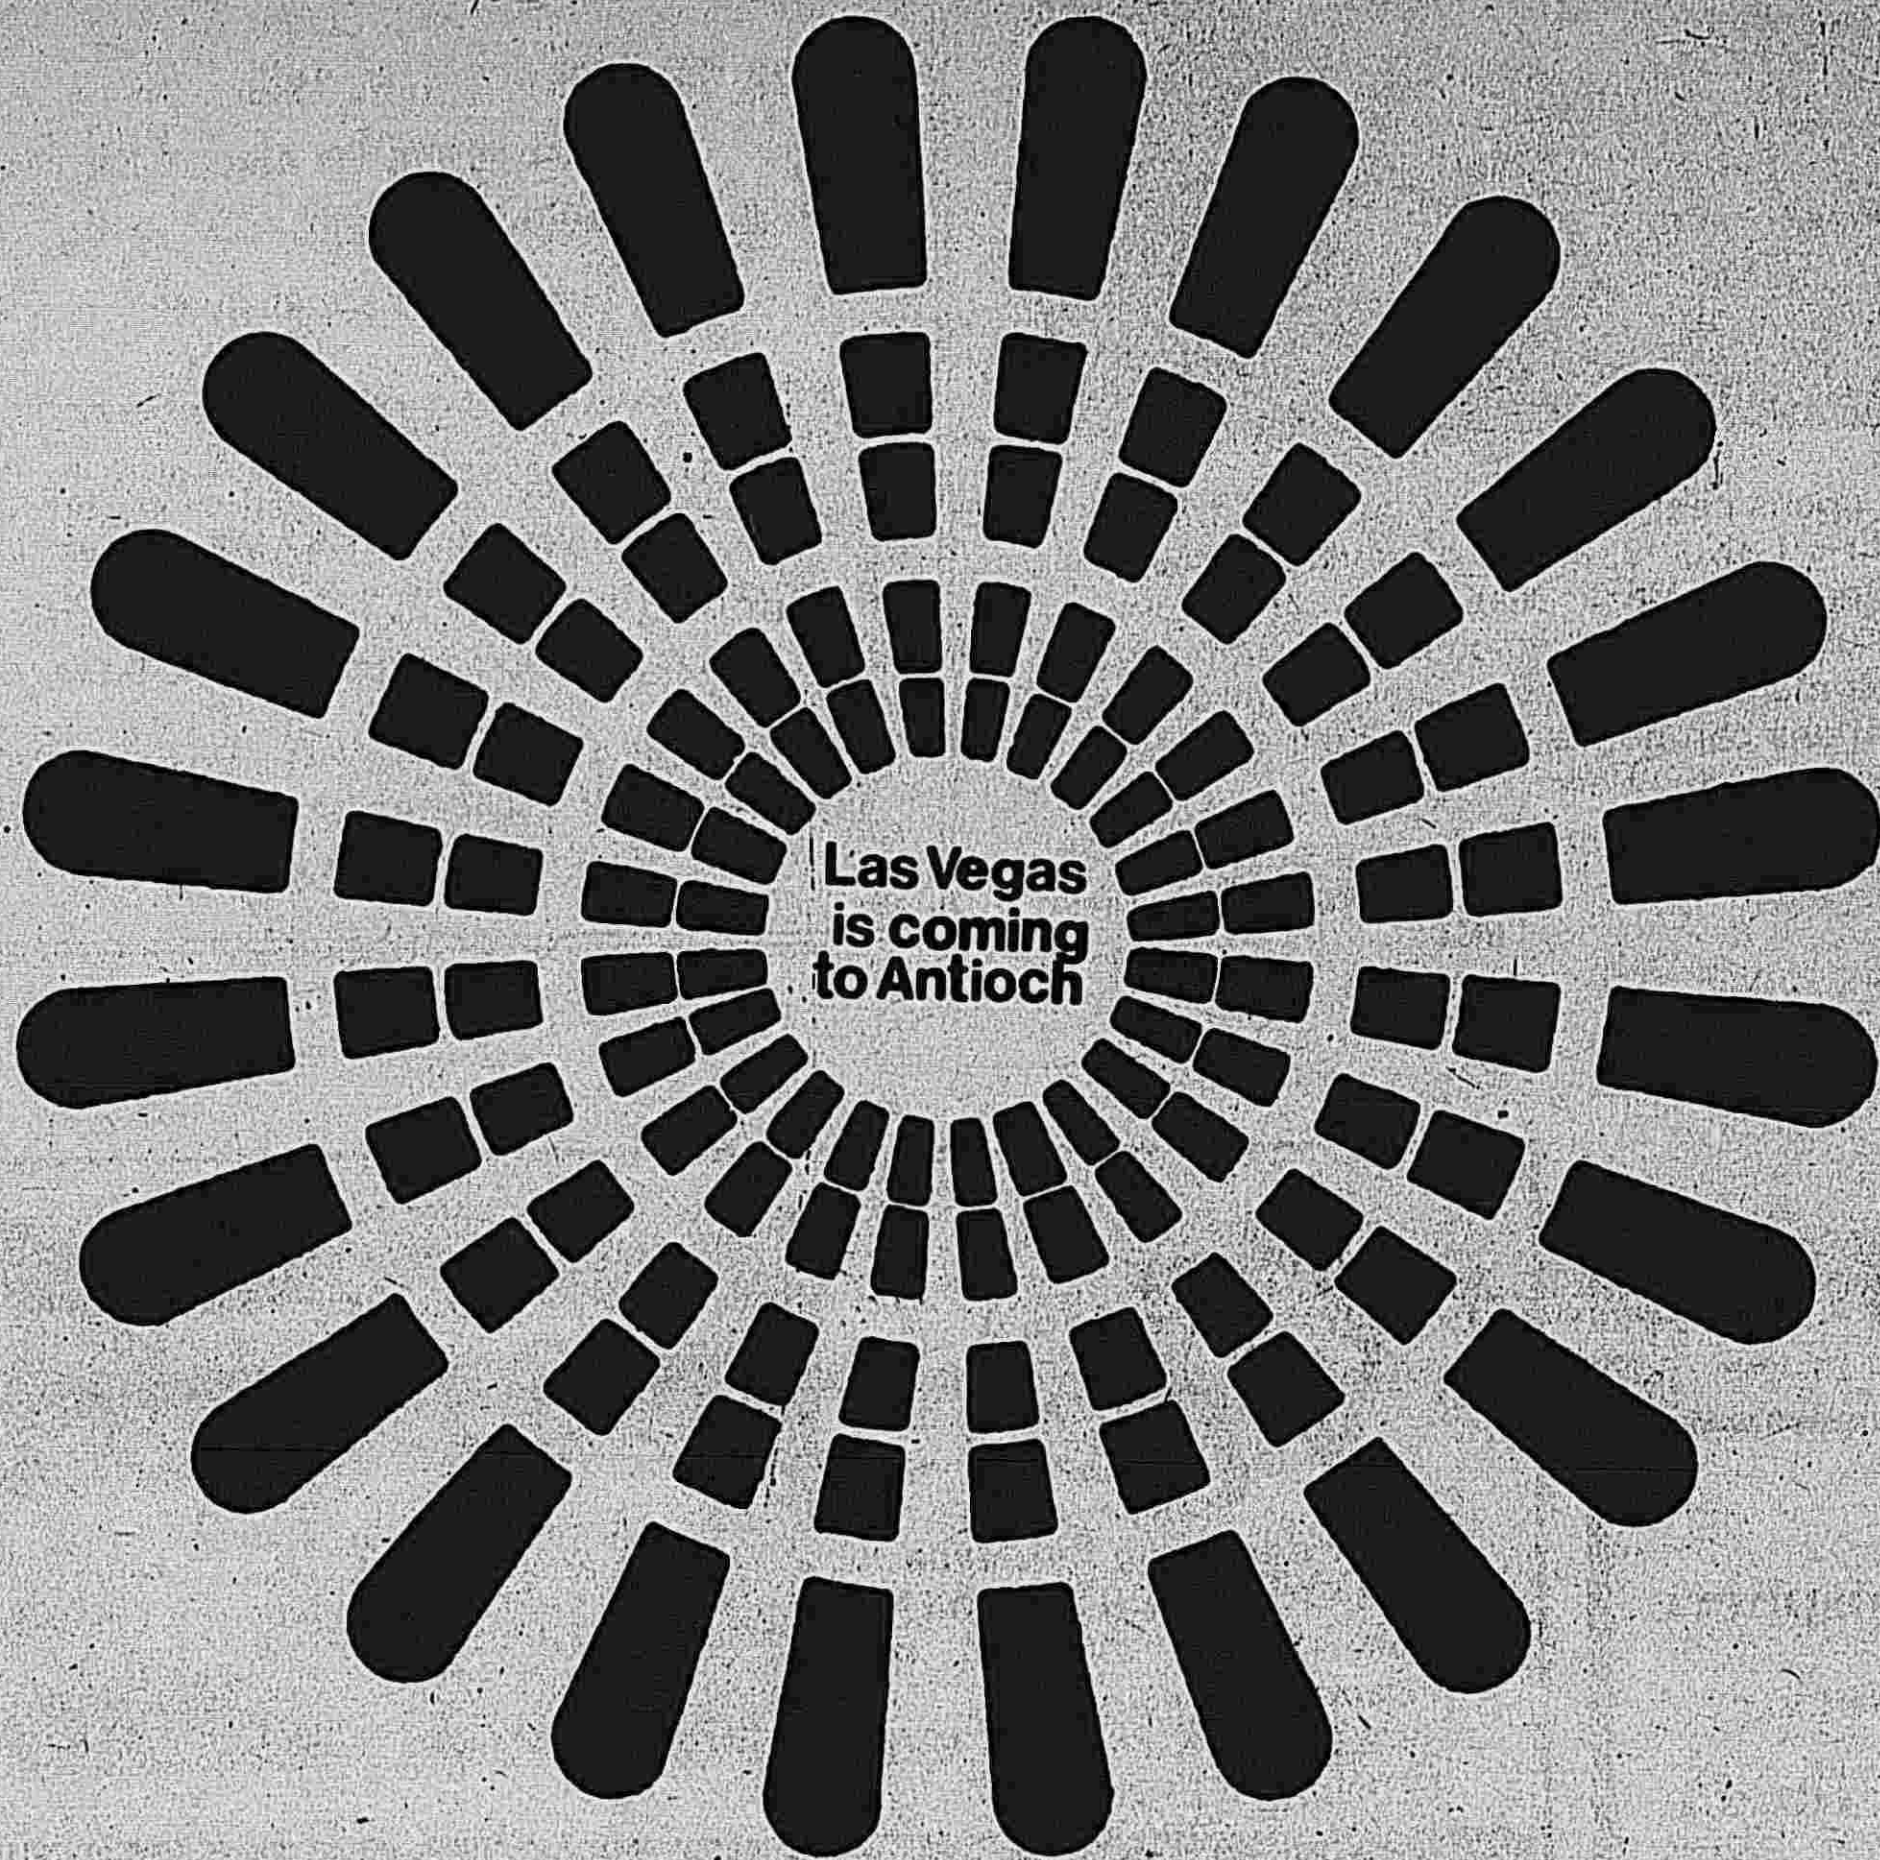

He said he feels the school needs more sports facilities because "it's the student body that actually brings out the best in our high school."

"I am running for the school board," he said, "because I believe that the public school systems are experiencing serious problems. I don't think we are teaching people to read or write, and I don't believe we are teaching them to be effective members of society. It may be we'll have a society in the future where 75 percent of the people who are illiterates will be governed by 25 percent who can read."

Mr. Fire said he also feels that more state dollars are required in the educational system and that classes should be reduced to about 20 students.

He also suggested putting money into "computerized education to allow people to proceed at their own level and in different levels."

"If a student were to fail mathematics, that isn't to say that he or she couldn't complete a science program," he said. "We must have a flexible educational system with innovative techniques to insure individualized education for all."

AMONG THE STUDENTS performing in the Upper Grade School's variety show are (from left) Bill Bischoff, Sandi Jones, Spike Horton, Mike Peterson and Charlie Bischoff.

LANGUAGE ARTS TEACHER Toni Fischer, left, helped Director David Power prepare "Tripping Through Time," Thursday night's variety show at the Upper Grade School.

Upper Grade School's Variety Show Thursday

"Tripping Through Time," the first annual variety show to be staged at Antioch Upper Grade School, will be presented at 7:30 p.m. Thursday in the gymnasium.

The theme is bicentennial and presents a "kid's eye-view of our nation's history," said Director Dave Power. "All of the acts, which range from comedy skits, to singers, dancers and musicians, have been prepared by the students."

The cast of nearly 90 includes stagehands, ushers and lighting

and sound "technicians."

Materials for the production were supplied by many Antioch businesses. Power mentioned A&B Printing, Wilton Electric and the Rittenhouse & Embree Lumber Co.

He also thanked the faculty members who devoted time as supervisors and coaches for the various acts.

Proceeds will be used to initiate a fund to outfit the stage with proper curtains and lighting to make it a more usable facility, Power said.

The U.S. Senate, which doesn't often find itself in this position, deserves a large bouquet from the American people for its wise and well-informed vote not to ban the Concorde SST flight to this country.

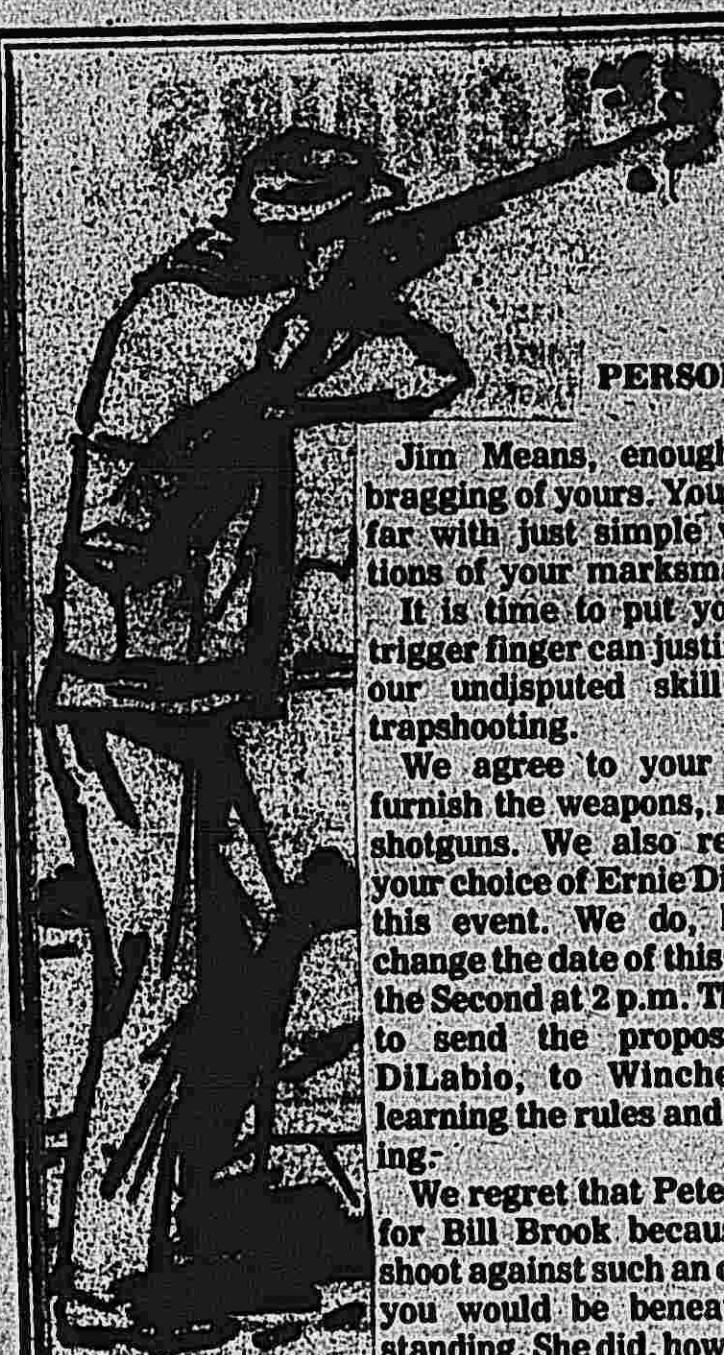

It has never been my practice to shower plaudits on the institution where I work. In fact, more often I find myself in staunch opposition to the spend-thrift ways of the liberal majority.

Jim Means, enough of this egotistic bragging of yours. You, sir, have gone too far with just simple words and insinuations of your marksmanship.

It is time to put your \$50 where your trigger finger can justify your challenge to our undisputed skill at the sport of trapshooting.

We agree to your demands that we furnish the weapons, namely 9 millimeter shotguns. We also reluctantly agree to your choice of Ernie DiLabio as umpire for this event. We do, however, wish to change the date of this shoot to fall on May the Second at 2 p.m. This will give us time to send the proposed umpire, Ernie DiLabio, to Winchester's school for learning the rules and basics of trapshooting.

We regret that Petey Filip cannot fill in for Bill Brook because she says that to shoot against such an obvious amateur like you would be beneath her professional standing. She did, however, agree to be our cheerleader and add a touch of class to the whole ridiculous affair.

Antioch Women Seek Funds to Fight Cancer

By an act of Congress, April has been designated as Cancer Month.

In the 1976 American Cancer Society fund-raising and educational crusade, volunteers from the Lake County unit of the society will seek a financial goal of \$211,724, part of a state goal of \$4,976,874.

They will distribute a leaflet, "Breast Cancer... What Is Your Risk," which enables a woman to compute her own risk rating and total it on a low-to-high scale.

In Antioch, Mrs. William Brook will be the 1976 crusade chairman. Serving with Mrs. Brook as captains are: Mrs. David Nissen, Mrs. J. Glenn, Mrs. R. J. Gibelhaus, Mrs. R. L. McGrain, Mrs. R. H. Malone,

Mrs. W. Wells Jr., Mrs. George Hahn, Mrs. Steve Rzyzko, Sr., Miss Janet Gallimore, Mrs. J. L. Craner, Mrs. L. J. Colby, Mrs. F. J. Freitag, Mrs. Steven Koehler, Mrs. Irving Elms, Mrs. Leonard Kohl, Mrs. Bernard J. Dost, Mrs. Kenneth Schroeder Jr., Mrs. John Belucci, Mrs. R. J. Kruczek, Mrs. Carol Otis, Mrs. L. M. McLean, Mrs. H. E. Keating, and Mrs. Corrine Case.

These volunteers will work to meet the financial goal of \$1,800 for Antioch. The money will go to the American Cancer Society, Lake County Unit, for its programs of research, education and service and rehabilitation to the cancer patient and his family.

Test Your Tires

A penny doesn't buy much these days, but it can insure your family's safety on the road, according to the Tire Retread Information Bureau.

The condition of a tire's tread is crucial for automobile safety. To check the tread of your tires try the penny test. Insert the head of a penny upside down into the tire tread. If the tip of the head shows, your tread rubber is low and it should be turned in. Tires with low tread are 44 times more likely to blow out during highway driving than those with proper tread.

Waukegan Speedway Opens With Big Race

The stock cars which were built and worked on diligently over the winter will be put to the ultimate test Saturday night when the professional racing season begins at the Waukegan Speedway.

A big 50-lap race will start off the season.

Ray Young, who has won the last two openers at the Speedway, will be on hand. Last year Young was the Chicagoland champ.

Young's nemesis, Tom Jones, who was the Waukegan Speedway track champ last year, says he is ready for the opener.

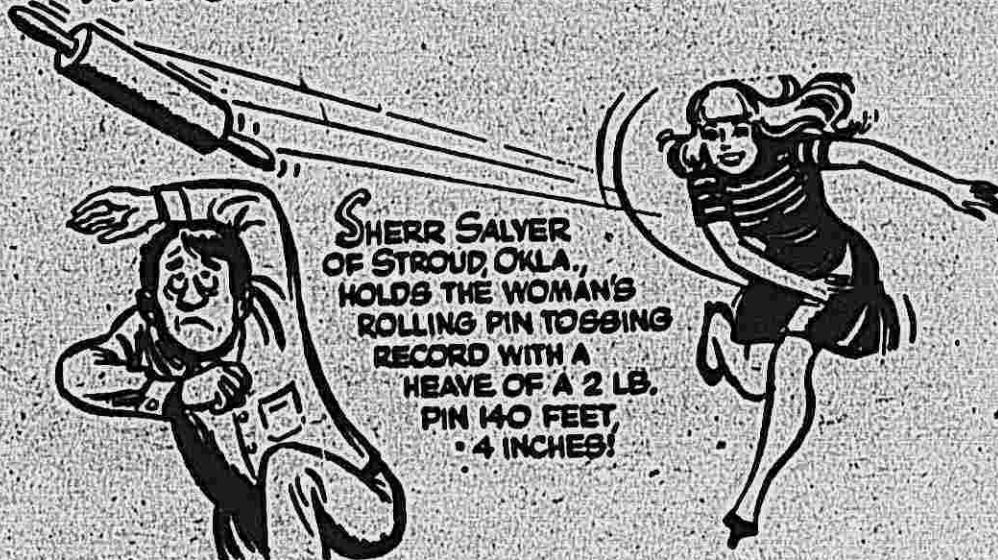

Next on the list is Carl Major, who battled Jones and young in point standings last year at Waukegan and finally finished second to Jones. This year, car owner, B.H. Leslie, has built a 1976 Camaro for Major to pilot in quest of the track championship.

A Sunday afternoon show will wind up the weekend of racing at Waukegan.

In addition to late models the Speedway will also host hobby stock car racing.

Waukegan Speedway is on Washington Street, 1/4 mile east of Route 41. Dial 662-8200 for details.

Township of Antioch REPORT OF EXAMINATION

For the Year Ended
January 31, 1976

NORMAN S. JEDELE
Certified Public Accountant
Antioch, Illinois

Mr. L.E. Murrie, Supervisor
TOWNSHIP OF ANTIOCH
Antioch, Illinois 60002

I have examined the balance sheets arising from cash transactions of the various funds of the

TOWNSHIP OF ANTIOCH

at January 31, 1976, and the related statements of cash receipts and disbursements for the year then ended. This examination included the

General Town Fund
General Assistance Fund
Road and Bridge Fund
Joint Bridge Fund
Black Top Road Improvement Fund
Retirement Fund
Lagoona Subdivision Special Fund
Resthaven Community Association Fund
Revenue Sharing Fund

and was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary.

Accounting records of the Township are maintained on a cash basis and consequently do not reflect, as income, taxes levied but not yet received; nor, do these records show expenses incurred but not yet paid. However, the examination has disclosed no unusual items of either income or expense not properly reflected on the books of the Township.

There were no interfund balances outstanding as of either the beginning or the end of the current year. The Township, again as in past years, had no transactions in tax, anticipation warrants nor in other loans of any kind. Also, as in the past many years, the Township had no outstanding debts of any kind.

In my opinion, the attached statements for the various funds of the TOWNSHIP OF ANTIOCH, which have been previously listed above, present fairly the financial position at January 31, 1976 and the cash receipts and disbursements for the full year then ended in accordance with generally accepted accounting principles for municipalities applied on a cash basis consistent with that of the preceding years.

Yours very truly,

N.S. Jedele

January 31, 1976

Norman S. Jedele
Certified Public Accountant
Antioch, Illinois

Mr. L.E. Murrie, Supervisor
TOWNSHIP OF ANTIOCH
Antioch, Illinois 60002

I have examined the Revenue Sharing Fund Statement of Revenue, Appropriations, Encumbrances, Expenditures and Balance and the Statement of Obligations Incurred of the Township of Antioch, for the year ended January 31, 1976, and have compared the financial data for the year ended January 31, 1976, included on Bureau of Census Form RS-9 with audited records of the Township of Antioch, Illinois.

This examination was made in accordance with generally accepted auditing standards and the "Audit Guide and Standards for Revenue Sharing Recipients" issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

All transactions were examined and were in strict compliance with all requirements of the Revenue Sharing

Act and its regulations.

In my opinion, the Statement of Revenue, Appropriations, Encumbrances, Expenditures and Balance and the Statement of Obligations incurred present fairly the revenue, expenditures, obligations incurred and status of revenue sharing funds of the TOWNSHIP OF ANTIOCH, ILLINOIS, for the year ended January 31, 1976, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Further, the financial data shown on the Bureau of Census Form RS-9 for the year ended January 31, 1976, is in agreement with audited records of the TOWNSHIP OF ANTIOCH, ILLINOIS.

Yours very truly,

OBITUARIES

MR. EMIL W. JENNRICH, 85, of 1007 North Rt. 59, Lake Villa, passed away on Mar. 31 at Winchester house in Libertyville.

He was born on Feb. 23, 1891 in Chicago, and moved to Antioch in 1929 and to Lake Villa in 1950.

Mr. Jennrich was a farmer most of his life and worked for the Ill. Highway Dept. for 10 years before his retirement. He married Ida Hutz on May 25, 1912 in Chicago, and she preceded him in death on Dec. 31, 1975.

Survivors are two sons Arthur (Greta) Jennrich of Midlothian, Wilfred (Ethel) Jennrich of Lake Villa, one sister, Mrs. Elsie Fischer of Round Lake Beach, seven grandchildren and two great grandchildren.

Funeral services were held Friday at the Strang Funeral Home in Antioch. Rev. Arthur Knudsen of the Sheperd of the Hills Lutheran Church in McHenry officiated. Interment was in Hillside Cemetery at Antioch. Memorials may be made to the Lake Villa Rescue Squad in memory of Mr. Jennrich.

DANIEL A. PAWLOWSKI, 15, of 632 Highland Ave., Antioch, passed away Saturday, Apr. 3, 1976 from injuries received in a auto accident in Antioch.

He was born Sept. 23, 1960 in Waukegan and has been a life long resident of Antioch.

Daniel was a member of St. Peter's Church in Antioch and was a sophomore at Antioch Community High School.

Survivors are his mother Marguerite with whom he made his home, his father Lawrence of Anaheim, Calif., his maternal grandmother Mrs. Mary Albright of Chicago, his paternal grandfather, Mr. John Pawlowski of Fox Lake, one brother, Lawrence (Laura) of Lake Villa, three sisters, Mrs. Kathleen (Alex) Ostrowski of Zion, Nancy and Sharon at home.

Funeral Mass will be held Wednesday, Apr. 7, at St. Peter's Church, Antioch. Interment will be in Hillside Cemetery, Antioch. Friends desiring may make contributions to the Antioch Rescue Squad.

GLENN W. PAWLOWSKI, 18, of Volts Lake, near Antioch, passed away Saturday, Apr. 3, as a result of injuries suffered in an auto accident in Antioch. He was born Nov. 28, 1957 in Waukegan and has lived in Volts Lake for the past 14 years.

He was a member of St. Scholastica Church, Bristol, Wis. and a 1975 graduate of

Central High School at Paddock Lake, Wis.

Glenn was employed as a iron worker for the Wendnagle Co. in Rosemont. He was preceded in death by his father Charles Pawlowski on Dec. 12, 1971.

Survivors are his mother, Mrs. Arlene Pawlowski with whom he made his home. His maternal grandparents, Mr. and Mrs. Walter Miller of Chicago, three brothers, Gary of Chicago, Gregory C. and Jeffrey K. of Lake Forest.

Funeral Mass will be held Wednesday at 10:00 from St. Priscilla Church, Chicago. Interment will be in St. Joseph Cemetery, River Grove.

Local arrangements were handled by the Strang Funeral Home in Antioch.

WHITNEY F. GILBERT, III, 25, of Oakwood Knolles, Antioch, died Apr. 4 at St. Therese Hospital following injuries received as a passenger in a 2 car automobile accident on Saturday night.

He was born in Chicago on March 28, 1951. He was employed as a communications recording engineer for radio equipment.

He is survived by his parents, Whitney and Betty Jean (Seaberg) Gilbert Jr. of Antioch; one brother, John Jason Gilbert Jr. of Antioch; he was the grandson of Whitney F. Gilbert Sr. and Noelle (Hubert) of Vinton, Louisiana, and the late John and Lilla Seaberg of Sweden.

Funeral services will be held at 9 a.m. on Thursday, from the Barr Funeral Home, Colonial Chapel, 532 Lake St., Antioch, to St. Peter's Church where Requiem Mass will be at 9:30 a.m. Interment will be in Hillside Cemetery, Antioch. Friends may call at the funeral home after 2 p.m. on Tuesday. Donations may be made to the Antioch Rescue Squad.

MRS. ANNA GRACZYK, 79, of Lake Center Gardens, Route 1, Antioch died last Saturday at St. Therese Hospital, Waukegan.

She was born on July 16, 1896 in Chicago. She had been a resident of Antioch since 1949, and had been a member of St. Peter's Church, Antioch.

She is survived by two sons, Wallace (Helen) Graczyk of Antioch; and Richard (Jean) Graczyk of Denver, Colo.; five grandchildren; six great-grandchildren; two sisters, Francis Jablonski of Chicago, and Virginia Rech of Antioch. She was preceded in death by her husband, Walter and one brother and two sisters.

Funeral services were Tues-

day at 9 a.m. from the Barr Funeral Home, Colonial Chapel, 532 Lake St., Antioch, to St. Peter's Church where Requiem Mass was said at 9:30 a.m. Interment was in the family lot, Elmwood Cemetery, River Grove. Donations may be made to the Antioch Rescue Squad.

GOLDWATER

Continued from page 19

with sensational claims leveled against all SSTs: the American prototype, the British-French Concorde and the Russian counterpart.

THIS HAS been going on since 1970 when the Senate voted to halt work on the U.S. prototype amid a national and emotional campaign which featured scare arguments about skin cancer, environmental disaster and equally frightening contentions. Reasonable claims that supersonic flights have been going on for some years without any trouble; that if we stopped SST development in this country we would voluntarily hand over our world leadership in the aviation industry (we still don't know how many sorely needed jobs that cost U.S. workers) fell on deaf ears.

Now we are witnessing the result and the confirmation of some of those reasonable claims. There certainly are many thousands of aviation workers on the unemployment lists, and the Concorde has already moved to take over a growing share of this nation's air transport and passenger business.

If there ever was any truth to the argument that the U.S. SST would result in a worldwide state of pollution, the fact is the planes are being flown right now by other countries. For some reason the enemies of the SST in the Senate seem to think that the United States can legislate beyond its borders.
